Finding the His Holy Church Group you want to join

The more specific you are in your search term the easier it will be to find the group you want.

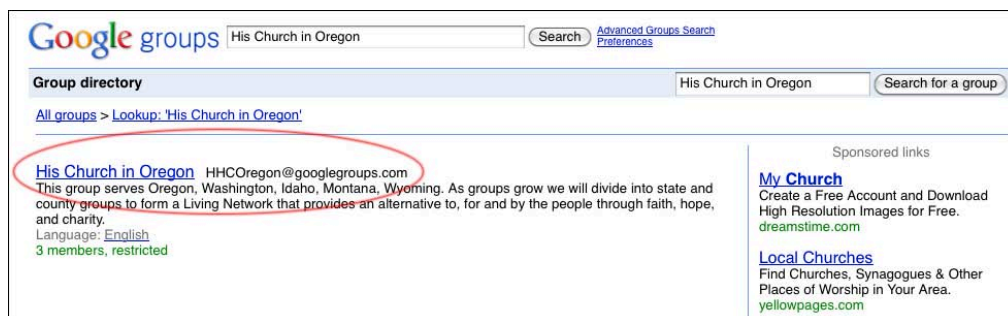

1. If you are a contact minister, you should add an “Avatar”, a photo of yourself. Preferably not one that looks like it was taken at the police station - A good photo, remember this is how people will see you. It’s not necessary for everyone to add a photo, but nice that people can put a face to a name.

All HHC groups will start with “His Church in” and then the state or country/region. In this example we will use Oregon.

2. Enter “His Church in Oregon” in the *Search for a Group* box and click the button.

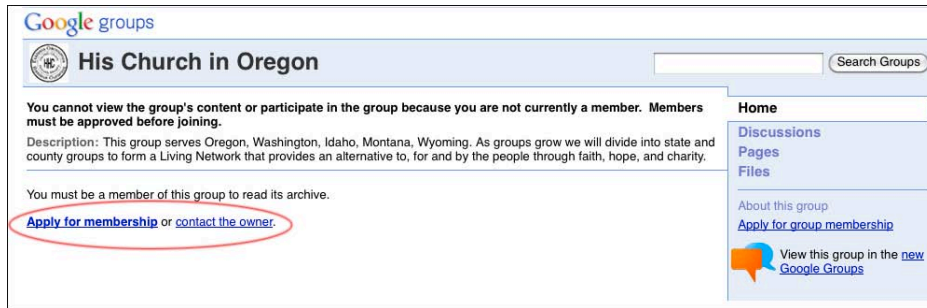

The page that comes up should only have the group you are looking for. If more are there scroll down the page and look for it.

3. Click on the link of the group and the Oregon group page will come up.

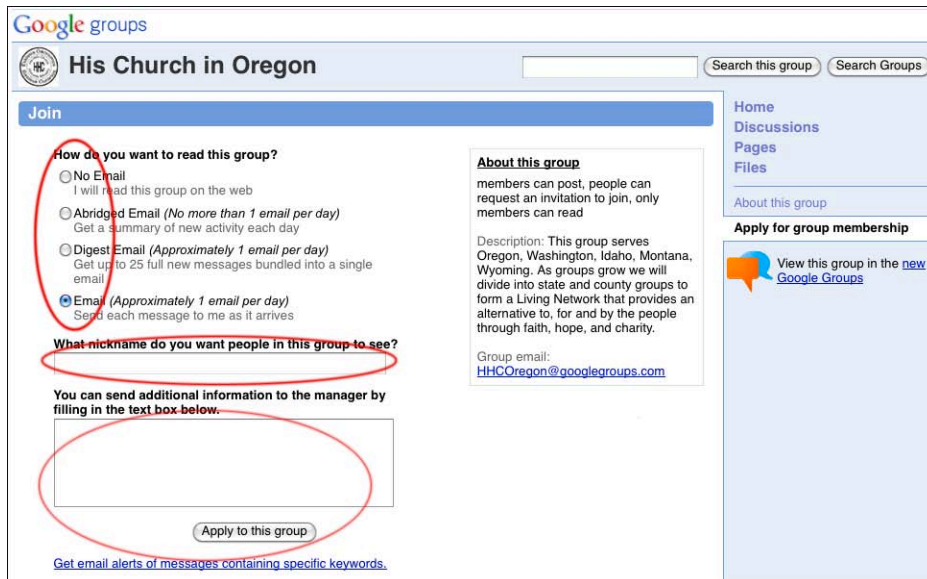

Apply to Join Group

You will need to apply for membership of the Group to be let on.

Reading posts from the group – email or web

There are several ways in which you can read what is going on in the group. Reading the posts online, receiving all posts or just a summary of the days emails etc.

1. Choose how you would like to read posts.
2. Create a nickname, perhaps a first name is good.
3. Send the group manager a note if you want to.
4. Click the "Apply to this group" button.

The Group Manager will approve and contact you by email and you are done!
